The article “Rapid Conversion of Methane to Hydrogen Stimulated by Microwave Irradiation on the Surface of a Carbon Adsorbent”, written by A. V. Chistyakov, G. I. Konstantinov, M. V. Tsodikov, and A. L. Maximov, was originally published electronically in Springer-Link on 22 September 2021 without Open Access. After publication in volume 498, issue 1, pages 49–53 the authors decided to make the article an Open Access publication. Therefore, the copyright of the article has been changed to © The Author(s), 2021 and the article is forthwith distributed under the terms

of a Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>, CC BY), which permits use, duplication, adaptation, distribution and reproduction of a work in any medium or format, as long as you cite the original author(s) and publication source, provide a link to the Creative Commons license, and indicate if changes were made.

The original article can be found online at <https://doi.org/10.1134/S0012501621050018>
