The article is retracted by the Editor-in-Chief since it was submitted to two different journals with copyright transfer agreements signed by the authors on the same day for both journals. The authors did not explain why this happened.

Eventually the article was published in two journals:

- Russian Journal of Applied Chemistry **91** (6), 1002–1008 (2018) with DOI <https://doi.org/10.1134/S1070427218060198> and
- Russian Journal of Physical Chemistry A **93** (3), 431–436 (2019) with DOI <https://doi.org/10.1134/S0036024419030269>.
