The article “Recent Progress to Understand and Improve Zeolite Stability in the Aqueous Medium”, written by Sebastian Prodingera and Mirosław A. Derewinski, was originally published electronically in Springer-Link on 6 May 2020 without Open Access. After publication in volume 60, issue 4, pages 420–436 the authors decided to make the article an Open Access publication. Therefore, the copyright of the article has been changed to © The Author(s) 2021 and the article is forthwith distributed under the terms of a Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>, CC BY), which permits use, duplication, adaptation, distribution and reproduction of a work in any medium or format, as long as you cite the original author(s) and publication source, provide a link to the Creative Commons license, and indicate if changes were made.

The original article can be found online at <https://doi.org/10.1134/S0965544120040143>
