^b *Lebedev Physics Institute, Russian Academy of Sciences, Leninskii pr. 53, Moscow, 119991 Russia*

Received September 12, 2006

PACS numbers: 99.10.Cd

DOI: 10.1134/S1054660X07040445

On page 130 in line 12 of Introduction, *In this work, we also report on lasing* should read *Adams et al. [3] also reported on lasing*

On page 130 in line 14 of Introduction, *For pumping, we employ* should read *For pumping, Adams et al. [3] employed*

On page 132 in line 14 from bottom of left column *photons/cm²* should read *photons/cm² s*

On page 132 in line 17 from bottom of right column word *saturation* should be *omitted*.
