The article “Modification of Multiliposomal Nanocontainers with Albumin as a Method for Increasing Their Resistance to Enzymatic Hydrolysis,” written by A.V. Sybachin and D.A. Stepanova, was originally published electronically in Springer-Link on 16 April 2021 without Open Access. After publication in volume 83, issue 2, pages 252–258 the authors decided to make the article an Open Access publication. Therefore, the copyright of the article has been changed to © The Author(s) 2021 and the article is forthwith distributed under the terms of a Creative

Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>, CC BY), which permits use, duplication, adaptation, distribution and reproduction of a work in any medium or format, as long as you cite the original author(s) and publication source, provide a link to the Creative Commons license, and indicate if changes were made.
