Received November 16, 2023; revised November 16, 2023; accepted November 16, 2023

The article “Specificities of the Fourier Transform Infrared Spectroscopic Methodology and Interpretation of Spectroscopic Data in Microbiological Analyses”, written by A.A. Kamnev and A.V. Tugarova, was originally published electronically in Springer-Link on October 30, 2023 without Open Access. After publication in volume 78, No. 10, pages 1320–1332, the authors decided to make the article an Open Access publication. Therefore, the copyright of the article has been changed to © The Author(s) 2023 and the article is forthwith distributed under the terms of a Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>, CC BY), which permits use, duplication, adaptation, distribution and reproduction of a work in any medium or format, as long as you cite the original author(s) and publication source, provide a link to the Creative Commons license, and indicate if changes were made.
