The article published in volume 86, no. 12, pp. 2881–2886, DOI: 10.1134/S1070363216120550 has been retracted by the Editor-in-Chief. After careful investigation it was found that experimental data made by a laboratory not cited as a reference were taken over by error. The experimental data was taken from Liang Liao, *Doctoral Thesis*, Laboratory of Molecular Chemistry and Thio-Organic Caen-France, 1999. (<https://www.theses.fr/1999CAEN2021>). All authors are informed on the retraction and agree with it.
