Publisher Correction: The European Physical Journal B (2024) 97:84
<https://doi.org/10.1140/epjb/s10051-024-00727-y>

The original article contained the following Code Availability Statement, which has been removed: “Code Availability Statement: My manuscript has no associated code/software. [Author’s comment: The code used for the phonon Monte Carlo simulations will be made available upon reasonable request.]”. This statement was introduced by mistake during the production process. The original article has been corrected.

The publisher apologizes for any inconvenience caused.
