Abstract This erratum corrects an error in the estimates of systematic errors in the last line of Table 2 of the original paper

Erratum to: Eur. Phys. J. C (2022) 82:937
<https://doi.org/10.1140/epjc/s10052-022-10848-2>

The Table 2 in the original paper had an error in the cell for \sqrt{F} for $\beta = 6.769$ – the number of significant digits used for the estimates of the systematic error did not match the number of significant digits used for the value itself.

Thus the value in the corresponding cell:

$$0.530(4)_{-32}^{+547}$$

should be modified to:

$$0.530(4)_{-32}^{+55}$$
