The original version of this article contains a mistake.

The correct form of the equation (11) is:

$$\frac{d^3\psi}{d\xi^3} + \left(\frac{\xi}{2} - \psi\right) \frac{d^2\psi}{d\xi^2} + \left(\frac{d\psi}{d\xi}\right)^2 + \frac{d\psi}{d\xi} = 0.$$

The graph of function $\psi(\xi)$ shown in Figure 2 is based on the correct equation.

The original article can be found online at <https://doi.org/10.1140/epjp/s13360-020-00552-z>.
