Correction: Coronary microvascular function in male physicians with burnout and job stress: an observational study

Roland von Känel[1*], Mary Princip[1], Sarah A. Holzgang[1], Chrysoula Garefa[2], Alexia Rossi[2], Dominik C. Benz[2,3], Andreas A. Giannopoulos[2], Philipp A. Kaufmann[2], Ronny R. Buechel[2], Claudia Zuccarella-Hackl[1] and Aju P. Pazhenkottil[1,2,3]

Correction: BMC Med 21, 477 (2023)
https://doi.org/10.1186/s12916-023-03192-z

The original article [1] contains errors in the following sentence in the 'Burnout' sub-section of the 'Methods' section:

"Participants rated each item on a scale ranging from 1 ("never") to 7 ("daily")".

Numbers '1' and '7' in the sentence should instead respectively state '0' and '6'.

Published online: 16 February 2024

The original article can be found online at https://doi.org/10.1186/s12916-023-03192-z.
