## Erratum to: *Microbial Cell Factories* 2012, 11:56 DOI: 10.1186/1475-2859-11-56

After publication of this work [1], it was noted that supplementary figures were missed within the additional files: additional file 1 contained missing figures. The correct version of Additional file 1 can be found here.

### Additional file

**Additional file 1: Figure S1.** Growth of SHuffle and wt *E. coli* at 30 °C. **Figure S2.** Western blot analysis of vtPA indicates correct folding in SHuffle B and not in SHuffle K12. **Figure S3.** Expression of flag tagged helper proteins in SHuffle B cells. **Table S1.** List of strains used in this study. **Table S2.** List of plasmids used in this study. **Table S3.** List of primers and the sequences used in construction of the plasmids.
