Retraction Note: Estimation of flood environmental effects using flood zone mapping techniques in Halilrood Kerman, Iran

Siamak Boudaghpour¹, Majid Bagheri^{1*} and Zahra Bagheri²

This article [1] has been retracted by the Editor as it was published in error and has already been published elsewhere [2]. After the peer review process, the authors uploaded the wrong manuscript in error. Due to an oversight, the manuscript was subsequently accepted and published. The authors, Editor and BioMed Central apologise to all involved.
