Correction

In the publication of this article [1] there is an error in the Methods section. This has now been included in this correction. Instead of University of XXXX, it should instead read University of Rome “Tor Vergata”.

The error: “The study was approved by the Ethics Committee at the University of XXXX, (protocol number 130/14), and informed consent was obtained from the patients’ parents. The trial was registered on ClinicalTrials.gov (registration number: NCT03159962).

A total of 30 subjects with a mean age of 8.1 ± 0.6 years (range 6.6–9.1 years) who sought for an orthodontic treatment, were enrolled in the Department of Orthodontics at the University of XXXX.”
