Correction

Correction to: Development and Utility of an ELISA Method for Sensitive and Specific Detection of IgE Antidrug Antibodies

Lynn L. Jiang,¹ Puneet Khandelwal,¹ Adam W. Clarke,² Ray Bakhtiar,¹
Linglong Zou,³ and Zhandong Don Zhong^{1,4}

Correction to: The AAPS Journal

<https://doi.org/10.1208/s12248-020-0413-z>

During the production process, the author order of Zhandong Don Zhong and Lynn L. Jiang were inadvertently misplaced. Lynn L. Jiang is the first author of this manuscript; Zhandong Don Zhong is the last author.

The online version of the original article can be found at <https://doi.org/10.1208/s12248-020-0413-z>
