Correction to: The AAPS Journal

<https://doi.org/10.1208/s12248-020-00459-8>

During the proofing process, the misspelling of “additional” occurred while changing the title of the article. The complete title should be “Remdesivir for Treatment of COVID-19: Combination of Pulmonary and IV Administration May Offer Additional Benefit”.

Publisher’s Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
