published online 28 April 2021

A Correction to this paper has been published: <https://doi.org/10.1208/s12249-021-02015-9>

Correction to: AAPS PharmSciTech

<https://doi.org/10.1208/s12249-021-01956-5>

An English translation error occurred with the word usage of “cellulitis” in the title and throughout the article. The correct usage is “cellulite”. The original article has been corrected.
