Annals of Surgical Oncology

In the article entitled, "Factors predictive of non-sentinel lymph node involvement and clinical outcome in melanoma patients with metastatic sentinel lymph node," by Rossi et al (*Ann Surg Oncol* 2007 10.1245/s10434-007-9734-8) the first author's name of reference 16 was misspelled in the reference list and in Tables 5 and 6.

The correct citation reads:

16. van Akkooi ACJ, de Witt JHW, Verhoef C, Schmitz PI, van Geel AN, Eggermont AM, Kliffen M. Clinical relevance of melanoma micrometastases (<0,1 mm) in sentinel nodes: are these nodes to be considered negative? *Ann Oncol* 2006; 17:1578–85.

Published online February 29, 2008.

The abstract of this manuscript was selected for oral presentation at the Society of Surgical Oncology (SSO) Annual Meeting (2007).

The online version of the original article can be found under doi: [10.1245/s10434-007-9734-8](https://doi.org/10.1245/s10434-007-9734-8).
