ERRATUM TO: ANN SURG ONCOL
(2008) 15(8):2137–2145
DOI 10.1245/S10434-008-9967-1

In the published article, a sentence in the fourth paragraph of the Patients and Methods (Study Procedures)

section (page 2139) was incorrect. The correct sentence is published here correctly:

“The lyophilized oxaliplatin was reconstituted with D5W. A perfusion circuit was then established with 3 L of NS solution.”

The online version of the original article can be found under doi:[10.1245/s10434-008-9967-1](https://doi.org/10.1245/s10434-008-9967-1).
