The title of this Editorial is corrected as reflected here.

In the published editorial, the use of the affiliation Massachusetts General Hospital (MGH) as mentioned throughout the text was incorrect. Wherever stated, the following reference should have been cited:

Valero MG, Mallory MA, Losk K, et al. Surgeon variability and factors predicting for reoperation following breast-conserving surgery. *Ann Surg Oncol*. 2018;25:2573–8.

The journal apologizes for this error.
