The scientific rigor of the abstracts presented at the American Society of Breast Surgeons annual meeting has not been recently evaluated. Approximately 29.2% of the

abstracts presented from 2017 to 2018 at the ASBrS conference resulted in a published article (<https://doi.org/10.1245/s10434-021-10493-1>).

Abstract presented at 2021 American Society of Breast Surgeons Conference.
