This systematic review (<https://doi.org/10.1245/s10434-021-11258-6>) critically assesses and summarizes the existing data on disparities in access to oncologic therapies

in pancreatic cancer. It identifies significant sociodemographic disparities that are contributed to by multiple patient, provider, and systemic factors.

DISCLOSURES Martin Heslin is a consultant for Best Doctors (now Teledoc). Annabelle L. Fonseca, Hamza Khan, Krista R. Mehari, Deepa Cherla, and Fabian M. Johnston have no disclosures to declare.
