CORRECTION TO: ANN SURG ONCOL (2022) 29:1493–1495
<https://doi.org/10.1245/s10434-021-11104-9>

In the original online version of this article, the next to last paragraph on page 1494 describing the PROSPECT trial had an error. The corrected sentence is as follows:

Patients are randomized to induction chemotherapy (FOLFOX or CAPOX) or standard chemoradiation. Patients in the experimental arm that have $\geq 20\%$ response to induction chemotherapy go directly to surgery while those with lesser response receive chemoradiation.

The original article was corrected.
