Erratum to: *Chromatographia* (2009) DOI 10.1365/s10337-009-1248-z

Unfortunately, in the original article the structures of capsaicin, nordihydrocapsaicin and dihydrocapsaicin in Fig. 1a miss the amide nitrogen. The correct structures are shown below.

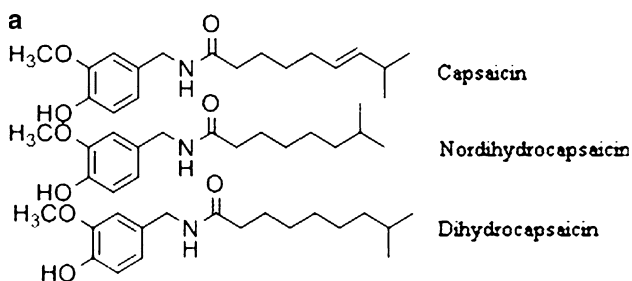

Fig. 1. a Structures of capsaicinonids
