Owing to an error in the workflow during the preparation of the manuscript for the article by Zbib *et al.* [1] the version originally published was an earlier, pre-acceptance version. That version (previously titled “Conformal Coating of Metallic Shells on Carbon Nanotube Turfs”) has been retracted and the correct version has been published under the title “The Mechanical Response of Arrays of Carbon Nanotubes Coated with Metallic Shells” [2]. The publisher apologizes to the authors and the readers for this error.
