

Engineered 2D nanomaterials–protein interfaces for efficient sensors – ERRATUM

Kiran Kumar Tadi, Tharangattu N. Narayanan, Sivaram Arepalli, Kaustav Banerjee, Sowmya Viswanathan, Dorian Liepmann, Pulickel M. Ajayan, and Venkatesan Renugopalakrishnan

doi: 10.1557/jmr.2015.349, published by Materials Research Society with Cambridge University Press, 20 November 2015.

In Tadi et al.¹, an additional acknowledgment was not present in the manuscript. The correct acknowledgment section should have read as the following:

ACKNOWLEDGMENTS

K.K.T. and T.N.N. acknowledge TIFR-Centre for Interdisciplinary Sciences (TCIS), Hyderabad, India for the financial support. V.R. and S.V. acknowledge Rothschild Foundation for support of our research. **V.R. dedicated the manuscript to Varun.**

The publisher regrets this error.
