In Turner et al.¹, Fig. 1 was displayed with incorrect dimensions and was therefore distorted. The following is the correct figure:

FIG. 1. One unit cell (a 5 37.884 Å, from the [100] direction) of the U_{60} -bearing crystalline compound: $Li_{68}K_{12}(OH)_{20}[UO_2(O_2)(OH)]_{60}(H_2O)_{310}$ with Li, K, and H_2O omitted for clarity. Cluster molecules circled are in-plane with the page.

The authors and publisher regret this error.
