Loss in acoustic metasurfaces: a blessing in disguise – ERRATUM

Nikhil JRK Gerard and Yun Jing

doi: <https://doi.org/10.1557/mrc.2019.148>, Published by Materials Research Society with Cambridge University Press, 14 November 2019

In the original publication of Gerard and Jing,¹ the a and b designations of Figure 2 were placed in a manner that could have been misinterpreted. A corrected version of Figure 2 is above to avoid ambiguity.

The publisher apologizes for this error.
