Correction to:

Journal of Materials Research and Technology (2016)
31(5)

<https://doi.org/10.1557/jmr.2016.57>

The author would like to correct the acknowledgments to this paper. The correct acknowledgments should read:

The authors would like to thank CBMM for the financial and technical support, to Aperam South America for the technical support and for providing the material for this study, Dr. Marco Antônio da Cunha for the technical discussions and to LNNano at CNPEM, where EBSD analyses were performed. FVB and MAS would also like to thank the CNPq, CAPES and FAPEMIG institutions for granting academic scholarships.
