Sokolov, A., Pavlova, M., & Baird, J. C. (2002). Response scale transfer for visual speed. *Perception & Psychophysics*, **64** (4), 561-569.

In the author's note on p. 561, the e-mail address was spelled incorrectly. It should have been given as a.sokolov@tu-bs.de. Also, in the opening sentence of the second paragraph on p. 568, the verb *present* was omitted. The following is correct:

Overall, the data present a challenge for the major existing theoretical accounts of the judgment process, because each deals with only a single aspect of the findings.
