ERRATUM

Ximénez, C. (2009). Recovery of weak factor loadings in confirmatory factor analysis under conditions of model misspecification. *Behavior Research Methods*, **41**, 1038-1052.

On pages 1042 and 1050 of the article, the term “researchers in the lab” is an error introduced in editing. Instead, the term “researchers in practical applications” should be substituted on both of those pages.
