Submission of Manuscripts on Computer Disk

To facilitate publication, the Publications Office of the Psychonomic Society strongly urges authors to provide floppy disks with the final, accepted paper (hard copy) versions of their manuscripts. The texts in the two should, of course, agree exactly.

Please note that ALL DISK FILES SHOULD BE IN ASCII FORMAT (ASCII is referred to by some word processing software as "nondocument" or "text-only" mode). Also, supply all manuscript materials in one file.

Please indicate the following on the disk label:

1. File name, and suffix (if any).
2. Type of disk and *actual* formatted capacity:
 - DOS 5¼ in.: 180K (SS, DD) or 360K (DS, DD)
 - DOS 5¼ in.: 1.2M (DS, HD)
 - DOS 3½ in.: 360K (SS, DD) or 720K (DS, DD)
 - DOS 3½ in.: 1.44M (DS, HD)
 - Macintosh (400K or 800K *only*; we cannot use high-density Macintosh disks)
3. Word processing software used and version number. (Note that we cannot use MacWrite.)
4. Editor's manuscript number, our production number, or first author's surname.

Please also note the following: (1) Each Heading, Paragraph, Figure Caption, and Reference should be followed by two (2) "hard" returns, including the hard return marking the end of a heading, paragraph, etc. (i.e., press the "enter" or "return" key twice). (2) Delete all running heads, page numbers, indications of figure/table placements, etc., from the disk. (3) If you use predefined functions, such as the F(unction)5 key, in lieu of a formatting command string, please be as consistent as possible in their use. Converting files to ASCII does not always remove all of these embedded commands, but those repeated consistently are more easily removed in typesetting. (4) Use the numeral for the number 1 (one), and *not* a lowercase l (el).

Finally, before you send your disk, please verify that your ASCII file has been copied correctly. A simple way to verify that your ASCII file is on your disk is to use the DOS "TYPE" (or equivalent) command.

**Call for Assistance in
The Compilation of a History of the Psychonomic Society**

The Governing Board of the Psychonomic Society is pleased to announce that Robert C. Bolles has agreed to serve as the first Historian of the Society.

All members who might have information relevant to this undertaking are invited to send it directly to Dr. Bolles. Founding members and those who attended the early meetings are especially encouraged to record their reminiscences. While Dr. Bolles hopes to collect as much information as possible relevant to the history of the Society, he will concentrate first on the early history.

Dr. Bolles's address is Department of Psychology, University of Washington, Seattle, Washington 98195 (phone: 206-543-2631).
