## **Student Paper Competition Society for Computers in Psychology**

The Society for Computers in Psychology will continue to sponsor an award for the outstanding student paper submitted for presentation at the annual meeting. Although the primary emphasis of the conference is the use of computers in on-line, experimental applications, student papers in any area of the application of computers to psychology are welcomed. Papers may be theoretical, experimental, or applied in approach. Eligibility is open to (1) work done by a student currently enrolled in undergraduate or graduate courses or (2) work done as part of a course, thesis, or other student research by a person who graduates in 1988. All papers submitted to the conference (including coauthored ones) in which the major contribution has been made by a student are eligible for the prize, and will be considered for presentation at the conference and subsequent publication in *Behavior Research Methods, Instruments, & Computers*. The winning paper will be presented at the 1988 conference, and the author will receive a complimentary one-year membership in the Society, a complimentary one-year subscription to *Behavior Research Methods, Instruments, & Computers*, and a \$200 cash prize.

Submission deadline is July 1, 1988. Papers should be submitted in quadruplicate. A cover sheet should include the author's name, mailing address, telephone number, and academic affiliation, a 50-word abstract, and a note that the paper is to be considered for the student award. Send materials to N. John Castellan, Jr., Department of Psychology, Indiana University, Bloomington, IN 47405.
