Special Issue on Teaching Demonstrations and Tutorials

Behavior Research Methods, Instruments, & Computers will publish a special issue on Teaching Demonstrations and Tutorials in February 1999. The articles in this issue describe, in most cases, computer software for demonstrating and teaching topics in experimental psychology. Areas covered include statistical methods, research methods, perception, attention, and memory, among others. The articles also discuss broader issues in the development and use of educational software in psychology.

39th Annual Meeting of the Psychonomic Society Dallas, Texas November 19–22, 1998

The 39th Annual Meeting of the Psychonomic Society will be held in Dallas, Texas, at the Wyndham Anatole Hotel. Registration will begin on Thursday evening, November 19. A poster session will be held on Thursday evening; spoken sessions will begin on the morning of Friday, November 20. Sessions will continue through noon on Sunday, November 22.

Programs and hotel reservation cards were mailed to members and associates in the beginning of September. Additional programs will be available at the meeting registration desk for \$10.00.

For further information, please contact the Secretary-Treasurer of the Society: Roger L. Mellgren, Department of Psychology, Box 19528, University of Texas, Arlington, TX 76019-0528 (phone: 817-272-2775; fax: 817-272-2364; e-mail: mellgren@uta.edu).
