Computer technology: Index to articles in *Behavior Research Methods, Instruments,* *& Computers* from 1977 to 1987

JOSEPH B. SIDOWSKI and GWENDOLYN E. CAMPBELL
University of South Florida, Tampa, Florida

This issue of the journal provides an index to the computer technology articles published in *Behavior Research Methods, Instruments, & Computers* from the beginning of 1977 through October 1987. Articles are listed under the various categories in the form of complete reference citations, except for the journal name. If an article is relevant to several topics, a complete citation is provided for each. If two or more categories contain related material, the Topic Guide refers the reader to the related topics.

The Topic Guide lists the categories and subcategories as they appear serially in the Computer Technology Index.
