

## ANNOUNCEMENT

Beginning with Volume 21 in 1983, the *Bulletin of the Psychonomic Society* will be a bimonthly journal. There will be one volume published per year, consisting of six issues appearing in January, March, May, July, September, and November. The Publications Office and the members of the Publications Committee feel that this is the most cost-effective manner in which to proceed with the publication of the Bulletin.

The Bulletin will continue to publish short papers (up to four printed pages) submitted by members of the Psychonomic Society, and the short publication lag of the journal should not be affected.
