

ERRATUM

Rein, J. R., Goldwater, M. B., & Markman, A. B. (2010). What is typical about the typicality effect in category-based induction? *Memory & Cognition*, **38**, 377-388.

On page 382 of the article, the next-to-last sentence of the Materials section of Experiment 2 contains an error. The first property listed should be *reads the newspaper monthly* rather than *daily*. The corrected sentence should thus read:

“A low-defining/low-central-tendency exemplar would have the following properties: *reads the newspaper monthly, renovates houses, plays the drums, rides a motorcycle, and goes to yard sales.*”
