Correction to: Attention, Perception, & Psychophysics
<https://doi.org/10.3758/s13414-019-01928-9>

During production of the article, Figure 4 was incorrectly used twice in the initial article, so it appeared both as Figure 4 and Figure 5 in the article. The original Figure 5 therefore was left out of the article. This erratum accompanies the publication of the corrected manuscript file where Figure 5 has been placed back (and Figure 4 only appears once). The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.3758/s13414-019-01928-9>
