Please note that in this article as originally published, there was an error in the PDF version of the article that caused Chinese characters presented in groups of two in Table 5 to be presented as single characters (i.e., one of the two characters in each pair was dropped). This error has now been rectified and the PDF version of the article is correct.

The online version of the original article can be found at <http://dx.doi.org/10.3758/s13421-017-0731-2>
