The original online version of this article was revised: a typographical error was made in the references section.

In the reference, Cruz Neri, N., Klückmann, F., & Retelsdorf, J. (2022). LATIC—A linguistic analyzer for text and item characteristics. *PLOS One*, 17(11), e0277250. Florian Klückmann is missing, and his initials are instead added to the initials of the first author: Cruz Neri, N. K. F., & Retelsdorf, J. (2022b). This has been corrected.
