

Contributors

Wayne Au is an assistant professor of secondary education at California State University, Fullerton. He most recently published *Unequal by Design: High-Stakes Testing and the Standardization of Inequality* (Routledge, 2008). He is also an editor for the journal *Rethinking Schools*, and his research interests include social justice education and critical educational theory.

Dave Hill is professor of education policy at the University of Northampton, England, and professor of education at Middlesex University, London, England. He is a longtime socialist labor union and political activist and former elected representative/local/regional leader. He lectures worldwide on class, race, education policy and resistance. He is founder editor of *The Journal for Critical Education Policy Studies*, www.jceps.com.

David Hursh, associate professor in teaching and curriculum at the Warner School of Education at the University of Rochester. His recent publications and political efforts focus on the relationship between neoliberal economic and education policies. Since 1999, he has been on the steering committee of the Coalition for Common Sense in Education, a group working to repeal high-stakes testing. His most recent book is *High Stakes Testing and the Decline of Teaching and Learning: The Real Crisis in Education* (Rowman and Littlefield, 2008).

Sebastjan Leban is an artist and theoretician from Ljubljana. His artistic practice involves the collaboration with Staš Kleindienst, the group Trie, and the group Reartikulacija. He is one of the founders and the editor of the journal *Reartikulacija* and has exhibited in numerous national and international exhibitions, participated in many symposiums and lectures, and published texts in several different publications.

Pepi Leistyna is an associate professor in the Applied Linguistics Graduate Studies Program at the University of Massachusetts, Boston. He coordinates the research program and teaches courses in cultural studies, media analysis, critical pedagogy, and language acquisition. Speaking internationally on issues of democracy, education, and social justice, Leistyna's books include *Breaking Free: The Transformative Power of Critical Pedagogy* (Harvard Publishing Group), *Presence of Mind: Education and the Politics of Deception* (Westview Press), *Defining and Designing Multiculturalism: One School System's Efforts* (SUNY Press), *Cultural Studies: From Theory to Action* (Blackwell Press), and *Corpus Analysis: Language Structure and Language Use* (Rodopi Press). His forthcoming book is entitled *Laughing Matters: Entertainment Television's Mockery of the Working Class*.

Sheila Macrine, PhD, is literacy professor in the Deborah Cannon Partridge Wolfe College of Education, New Jersey State University, New Jersey. Her research focuses on connecting cultural, political, and feminist frameworks to institutional and personal contexts of pedagogy, particularly as they relate to the social imagination, progressive democratic education, and critical studies. She has published recent scholarly articles and chapters on inclusion, neoliberalism in education, the impact of No Child Left Behind, and instruction and assessment in the literacy classroom.

Peter McLaren, PhD, is a professor at the Graduate School of Education and Information Studies, University of California, Los Angeles. He is the author, coauthor, editor, and coeditor of approximately forty books and monographs. Several hundred of his articles, chapters, interviews, reviews, commentaries, and columns have appeared in dozens of scholarly journals and professional magazines since the publication of his first book, *Cries from the Corridor*, in 1980 (Methuen, Toronto; New York). His work has been translated into seventeen languages. He lectures internationally and is a member of the Industrial Workers of the World.

Martha Montero-Sieburth is currently a research fellow at the Institute for Migration and Ethnic Studies at the University of Amsterdam, where she is completing several manuscripts on Latin Americans in Spain and Latinos in the United States. She is a professor emerita of the Department of Leadership in Education at the Graduate College of Education at the University of Massachusetts-Boston where she taught in the Leadership in Urban Schools Doctoral Program and the Educational Administration Masters Program until August 2007. Her ethnographic research has been conducted in U.S.

urban schools and communities, and in greater metropolitan areas of Boston where she has studied the policies and practices toward Latino adolescents in secondary schools, Latino parental involvement, community ethnography of Latinos, and the leadership of Mexicans in the New England area.

Enver Motala was a lawyer for the independent trade union movement and also played a significant role in the antiapartheid education movement. After the first democratic elections he was appointed the deputy director-general of education in the province of Gauteng. He is presently an associate of the Education Policy Consortium for whom he has coordinated research projects on democracy, human rights, and social justice in education in South Africa. He has also done similar work for the Nelson Mandela Foundation.

João M. Paraskeva, PhD, is a professor of educational leadership at University of Massachusetts, Dartmouth, MA. Prior to his appointment at Umass, Dartmouth, he was a visiting professor of educational leadership at University of Miami, Ohio. He also taught for ten years at the University of Minho in Portugal. He is an international scholar and has published twelve books, as well as numerous chapters and articles, on a wide range of topics in the field of critical education. As a result, Paraskeva has established himself as an important critical scholar.

Jill Pinkney Pastrana is an associate professor of Foundations of Education at the University of Wisconsin-Eau Claire. She was recently named a 2008–2009 Fulbright Scholar, and this will allow Pastrana to work with colleagues at the Catholic University in Valparaiso in Chile. Pastrana's areas of expertise include international and comparative education, multicultural and intercultural education, language minority education, politics and education, and globalization and education policy reform.

Brian Ramadiro is the deputy director of the Nelson Mandela Institute for Education and Rural Development at the University of Fort Hare. He is the former co-coordinator of the ERP. His scholarship focuses on youth issues, "race," culture, and indigenous knowledge. His current projects include the promotion of bilingualism and multilingualism in education, rural development, and methodologies for community mobilization and participation in public policy planning and development.

Susan L. Robertson is a professor of sociology of education in the Graduate School of Education, University of Bristol. Along with her colleague Roger Dale, she is the founding editor for the journal *Globalisation, Societies and Education* published by Carfax. Robertson

recently completed a Synthetic Review of Globalization, Education and Development for the Department of International Development. Her current work is engaged with globalization and regionalization as it works on and through both education systems and new sites of knowledge production.

John Smyth is a research professor of education at the University of Ballarat. He is author/editor of fifteen books including, most recently, *Teachers in the Middle: Reclaiming the Wasteland of the Adolescent Years of Schooling* (with Peter McInerney, Peter Lang Publishing, 2007) and *"Dropping Out" Drifting Off, Being Excluded: Becoming Somebody Without School* (with Robert Hattam and others, Peter Lang Publishing, 2004). His research interests include policy ethnographies of schooling, issues of social justice, community renewal, and policy sociology of students' lives and teachers' work.

Salim Vally worked as a teacher and trade unionist before joining the Wits Education Policy Unit. He is active in social justice and solidarity movements and is a board member of various professional organizations. He is involved in scholarship that combines interdisciplinary and comparative approaches to critically examining education policy and practice. His abiding interest is in encouraging his peers and community activists to collaborate on socially engaged research. Salim was visiting scholar at York University, Ontario, from 2007 to 2008 and has resumed his post as senior researcher at the Wits EPU and the coordinator of the ERP.

Richard Van Heertum is currently a visiting assistant professor in the education departments at CUNY/College of Staten Island teaching classes in foundations and the interdisciplinary Core program. He recently completed his PhD in education and cultural studies at the University of California, Los Angeles, where his dissertation focused on cynicism and democracy. He also has an MA in economics. His work has appeared in *Policy Futures in Education*, *Interactions*, *McGill Journal of Education*, and a number of anthologies, and he has published extensively in the popular press. He previously served as the program officer for the Paulo Freire Institute at UCLA.
