Volume Editor

Hugo Meijer is lecturer in Defense Studies at King's College London, United Kingdom. He is also research associate at the Center for International Research and Studies (CERI), Sciences Po, France, where he cofounded the research group "Sociology of Foreign Policy." Previously, he was postdoctoral research fellow at the Strategic Research Institute of the French Military Academy (IRSEM), France and visiting scholar at the Sigur Center for Asian Studies at George Washington University, United States. He received his PhD in Political Science and International Relations from Sciences Po. His current research focuses on US-China relations, the actors and processes in US foreign and defense policymaking, transatlantic perspectives on China's military modernization, and the politics of international arms transfers. Recent publications include: "Balancing Conflicting Security Interests: US Defense Exports to China in the Last Decade of the Cold War," *Journal of Cold War Studies*, vol. 17, no. 1 (2015); "Actors, Coalitions and the Making of Foreign Security Policy: US Strategic Trade with the People's Republic of China," *International Relations of the Asia Pacific*, vol. 15, no. 2 (2015) and "Transatlantic Perspectives on China's Military Modernization: The Case of Europe's Arms Embargo against the People's Republic of China," *Paris Paper* no. 12, IRSEM, 2014.

Contributors

Guillaume de Rougé is currently lecturer at Sciences Po, Paris, and at the Sorbonne University of Paris 8 Vincennes–Saint-Denis and Paris 3. He is also a policy advisor on US strategy at the Foresight

and Long-Term Planning Unit in the Directorate for Strategic Affairs (DAS) in the French Ministry of Defense. He holds a PhD in Contemporary History from the University of Paris 3–Sorbonne Nouvelle (2010), where he cofounded and coanimates a workshop on historical approaches to nuclear and security issues during the Cold War. He has earned master's degrees in European Politics at the University of Paris 3–Sorbonne Nouvelle (2005); International Relations at the Institute of International and Strategic Relations (IRIS) (2003); and Public Law, Political Science and Philosophy at the Panthéon-Assas University–Paris 2 (2002).

Mathieu Duchâtel is senior researcher and head of the China and Global Security Project, Stockholm International Peace Research Institute (SIPRI), Beijing. Prior to that, he had been visiting researcher, School of International Studies, Peking University, 2011–2012; research fellow, Asia Centre, Paris, 2006–2011; chief editor of *China Analysis*, a joint publication of the Asia Centre and the European Council on Foreign Relations, 2007–2011; and lecturer at Sciences Po, Paris, and at the French National Institute for Oriental Languages and Civilisations, 2008–2011. His publications include “La politique étrangère chinoise sous Xi Jinping” (China’s foreign policy under Xi Jinping), *Hérodote*, no. 150 (2013); “The European Union and the Modernization of the People’s Liberation Army Navy: The Limits of Europe’s Strategic Irrelevance,” *China Perspectives* (2011/4), 31–43 (with Alexandre Sheldon-Duplaix); “Introduction: Chinese Politics under Hu Jintao,” *Journal of Current China Affairs*, vol. 28, no. 3 (2009), 3–13 (with François Godement).

Isabelle Facon is a senior research fellow, Strategic Research Foundation (FRS), and a senior lecturer at Ecole Polytechnique, Palaiseau, France. A specialist on Russian security and defense policies, she has been working extensively on Russian military affairs, the military reform process, defense industry issues, and the evolution of civil-military relations. She has also devoted a lot of research to the study of Russia’s foreign policy. She spent her academic time at Université Paris 4–Sorbonne; she also spent a year at Oxford University, as an associate member of Saint Antony’s College. Since 2008, she has been a senior lecturer at Ecole Polytechnique and has also been contributing, since 2003, to two masters at the Institut Catholique de Paris. She is a member of the scientific council of an online journal named *Journal of Power Institutions in Post-Soviet Societies* and a member of the

French International Studies Association. She has authored more than 100 publications, both in France and abroad.

Eric Frécon teaches international relations at the French Naval Academy. He also coordinates the Observatory on Southeast Asia at the Asia Center in Paris. He was deputy editor of the bimonthly publication “Diplomatie” in 2011–2012, as well as research fellow associated with the Indonesia program of the S. Rajaratnam School of International Studies (RSIS) in Singapore, for three years. Previously, he occupied postdoctoral positions at the École Normale Supérieure in Lyon, France, at the Eastern Asia Institute (IAO), and was research manager at the French Navy’s Center for Higher Learning. In 2007, he defended his PhD at Sciences Po on maritime piracy in East Asia, after earning an advanced degree in international relations at the University of Paris 1–La Sorbonne. He has also taught at Sciences Po, Paris, at the Institute of Political Studies in Lyon, as well as at the University of Lyon 2. Eric Frécon is member of the full committee of CSCAP–EU (Council for Security Cooperation in the Asia-Pacific–European Union) since 2014. His latest book, *Chez les pirates d’Indonésie* (With the Indonesian pirates) was published by Fayard in 2011.

François Godement is professor of Political Science at Sciences Po; director for Strategy at Asia Centre, Paris; head of the China Program at the European Council on Foreign Relations; and nonresident senior associate of the Carnegie Endowment for International Peace (Washington). He is also an outside consultant to the Policy Planning Directorate of the French Ministry of Foreign Affairs. A longtime professor at the French Institute of Oriental Languages and Civilizations, he created the Asia Centre/IFRI at the Paris-based Institut Français des Relations Internationales (1985–2005). He then founded the Asia Centre in 2005, an independent center for research on Asian issues as they intersect global debates. He graduated at the École Normale Supérieure de la rue d’Ulm (Paris), where he majored in history, and was a postgraduate student at Harvard University. His publications include: “Xi Jinping’s China,” European Council on Foreign Relations, July 2013; *Que veut la Chine? De Mao au capitalisme*, Paris, Odile Jacob, October 2012 (forthcoming in English at Rowman & Littlefield); “The United States and Asia in 2010: Uncertain Relations,” *Asian Survey*, vol. 57, no. 1 (2011), 5–17; *The New Asian Renaissance* (first published in 1993; in English by Routledge, London and New York, 1997); *The Downsizing of Asia* (Routledge, London and New York, 1998).

Jolyon Howorth is Jean Monnet Professor of European Politics *ad personam* and emeritus professor of European Studies at the University of Bath (United Kingdom); visiting professor of Political Science at Yale University. Previous appointments were at: University of Paris III-Sorbonne-Nouvelle, University of Wisconsin-Madison, and Aston University. He has held visiting professorships at Harvard University, the Institut d'Études Politiques (Paris), Luiss-Guido Carli University (Rome), the University of Washington, Columbia and New York Universities, the Freie Universität Berlin, and the University of New South Wales (Australia). He has published extensively in the field of European politics and history, especially security and defense policy and transatlantic relations—14 books and 250 journal articles and book chapters. Publications include: *Security and Defence Policy in the European Union* (Palgrave, 2007; 2nd edition 2013); *Defending Europe: The EU, NATO and the Quest for European Autonomy* (Palgrave, 2003; edited with John Keeler); *European Integration and Defence: The Ultimate Challenge?* (Paris, WEU-ISS, 2000). His publications have been translated into ten languages.

Benjamin M. Jensen (PhD 2010, American University) holds a dual appointment as an assistant professor of International Relations at US Marine Corps Command and Staff College and as a scholar-in-residence at the American University School of International Service. Within the Command and Staff College, he teaches in the Department of Security Studies and is the director of Advanced Study. As part of his dual appointment in the School of International Service, Dr. Jensen is the program coordinator for the undergraduate concentration in Peace, Global Security, and Conflict Resolution. Outside of academia he is a reserve officer in the US Army with multiple deployments including Afghanistan and Kosovo. His research has been financially supported by the Smith Richardson Foundation and the French National Research Agency (l'Agence Nationale de la Recherche, ANR). Dr. Jensen has published articles in the *Journal of Low-Intensity Conflict and Law Enforcement* and *American Intelligence Journal*. He has also published pieces in the *Financial Times*, *New York Times*, *International Herald Tribune*, and *USA Today*. Dr. Jensen holds an MA and PhD in International Relations from the American University, School of International Service, as well as an MS in Strategic Intelligence from the National Intelligence University, Defense Intelligence Agency.

Young C. Kim is a professor of Political Science, emeritus, George Washington University, and a visiting professor at Keio University in

Tokyo, Japan. His research areas include Japanese and Korean domestic politics and foreign relations, Russian relations with East Asia, and East Asian foreign relations. He has a PhD in Political Science and is the author/editor of numerous books and monographs. He has published about 70 articles in professional/academic journals in the United States, including *World Politics* and the *American Political Science Review*. He served as director of the Gaston Sigur Center for Asian Studies at George Washington University and was in charge of the US-DPRK academic exchange program for 1986–1996.

Christian Lequesne was director of CERI from 2009 to 2014. Prof. Lequesne holds degrees from the Institute of Political Studies in Strasbourg and from the College of Europe, Bruges, as well as a PhD in Political Science from Sciences Po. He started his academic career as assistant at the Department of Political and Administrative Studies of the College of Europe (1986–1988) before joining CERI in 1988. He was deputy director of CERI between 2000 and 2003; director of the Centre Français de Recherche en Sciences Sociales (CEFRES) in Prague from 2004 to 2006; and LSE-Sciences Po Professor at the European Institute of the London School of Economics and Political Science from 2006 to 2008. He was a member and vice president of the Board of Directors of Sciences Po from 2007 to 2013 and a member of the board of the federation of universities Sorbonne Paris Cité. He sits on the editorial board of the *Journal of European Integration* and is a member of the scientific committees of the journals *Politique Européenne* and *Etudes Européennes*. He launched, with John Groom, the *European Review of International Studies*, the first issue of which was published in 2014. He is also a regular columnist on European affairs in the daily newspaper *Ouest-France*.

Michael McDevitt is a senior fellow associated with CNA Strategic Studies, a division of the Center for Naval Analyses (CNA)—a not-for-profit federally funded research center in Washington DC. During his 16 years at CNA, as both a manager and vice president and now as a fellow, he has had a number of papers published. His most recent research focus has been the maritime security issues along the Indo-Pacific littoral, the US rebalance toward Asia, and the maritime dimension of China's national strategy. During his navy career, he spent his operational time in the Pacific, including a two-year assignment in Sasebo, Japan. He held four at-sea commands, including an aircraft carrier battle group. He was the director of the East Asia Policy office for the Secretary of Defense during the George H. W. Bush administration.

He also served for two years as the director for Strategy, War Plans and Policy (J-5) for US CINCPAC. He concluded his active duty career as the commandant of the National War College in Washington DC. He is a graduate of the University of Southern California and has a master's degree in US Diplomatic History in East Asia for Georgetown University. He is also a graduate of the National War College.

Emmanuel Puig is senior researcher at Asia Centre (Paris) and lecturer at the Institute of Political Studies of Lille. He leads two research programs on the evolution of China's foreign policy and on the evolution of China's domestic security. He is a member of the International Studies Association (ISA) and participates in the SITC Project (Study of Innovation and Technology in China) of the Institute on Global Conflict and Cooperation, University of California in San Diego. He holds a PhD in Political Science from the Institute of Political Studies of Bordeaux (2007) and was postdoctoral fellow at CNRS in 2008. His current research focuses on political and organizational changes in Chinese defense industries, on the evolution of the domestic security issues in China, and on the consequences of these developments on Chinese foreign policy.

See Seng Tan is the deputy director of the Institute of Defence and Strategic Studies, head of the Centre for Multilateralism Studies, and an associate professor at the S. Rajaratnam School of International Studies (RSIS), Nanyang Technological University, Singapore. A student of Asian security, he is the author/editor of 9 books and has published over 40 scholarly papers and book chapters. His publications include: *The Making of the Asia Pacific: Knowledge Brokers and the Politics of Representation* (Amsterdam University Press, 2013); *Regionalism in Asia* (Routledge, 2009; editor and contributor); *The Role of Knowledge Communities in Constructing Asia-Pacific Security: How Thought and Talk Make War and Peace* (Edwin Mellen, 2007); *Asia-Pacific Security Cooperation: National Interests and Regional Order* (M.E. Sharpe, 2004; coeditor with Amitav Acharya); "Providers Not Protectors: Institutionalizing Responsible Sovereignty in Southeast Asia," *Asian Security*, vol. 7, no. 1 (November 2011); "The ASEAN Regional Forum and Preventive Diplomacy: Built to Fail?," *Asian Security*, vol. 7, no. 1 (March 2011), 44–60 (with Ralf Emmers).

Eric Y. Shibuya, PhD, joined the Command and Staff College, Marine Corps University, Quantico, Virginia, in February 2007 and is currently an associate professor of Strategic Studies. He was previously

at the Asia-Pacific Center for Security Studies in Honolulu from 2000 to 2006, where among other duties he served as program director for the Junior Executive Course (0–3/0–4 level) and cofounded the Comprehensive Security Responses to Terrorism Course. Dr. Shibuya has traveled extensively through Asia and the Pacific and has been part of Transnational Security Education teams in Kenya and Kosovo. He has been adjunct faculty for the Center for Civil–Military Relations, Center for Asymmetric Warfare, and Joint Special Operations University. He is currently working on a book on disarmament, demobilization, and reintegration of militias. Dr. Shibuya holds degrees from the University of Hawaii, University of Oklahoma, and Colorado State University. He is a 1999 Fulbright Fellow and was based in the Department of International Relations, Research School of Pacific and Asian Studies, the Australian National University, Canberra.

May-Britt U. Stumbaum, PhD, is head of the NFG Research Group “Asian Perceptions of the EU” at the Free University of Berlin, funded by the German Ministry of Education and Research. Previous positions included senior research fellow and executive director of the China and Global Security Programme at the Stockholm International Peace Research Institute (SIPRI); Fritz Thyssen Fellow at WCFIA, Harvard University; head of the International Forum on Strategic Thinking/senior researcher, German Council on Foreign Relations (DGAP); head of Asia Department, Berlin Partner; and seminar leader for the Robert Bosch Foundation. May-Britt U. Stumbaum worked as a visiting fellow at several renowned European and Chinese think tanks, including the EUISS and CASS. She is a cofounder of Women in International Security Deutschland (WIIS.de) and served as its president from 2003 to 2008. She currently serves as board member of the Tönissteiner Kreis e.V. May-Britt U. Stumbaum graduated with a master’s in European Politics and Governance from the London School of Economics and Political Science (LSE) and received her PhD from the Freie Universität Berlin on “Decision-Making in EU Foreign and Security Policy towards the PR China.” Aiming to bridge academia and policy, she has published widely on EU security affairs toward Asia and China, appears in TV and print, and has testified to the US Congress’ US-China Economic and Security Committee on security policy issues in EU-China relations.
