

## Appendix of Registries (Alphabetical)

Resource and website <sup>a</sup>	Advantages	Disadvantages
Blueprints for Healthy Youth Development <a href="http://www.blueprintsprograms.com/">http://www.blueprintsprograms.com/</a>	Rigorous inclusion criteria; Searchable by population characteristics/needs Includes information on cost-benefit	Limited number of programs with smaller number of focus areas
California Evidence-Based Clearinghouse for Child Welfare <a href="http://www.cebc4cw.org/">http://www.cebc4cw.org/</a>	Available information on a variety of topics related to evidence-based practices; Clear inclusion criteria; Provides scientific ratings to enable comparisons across programs; Contains ample information to facilitate early implementation planning	Programs evaluated predominately through a child welfare lens (may have limited broader applicability)
Crime Solutions <a href="https://www.crimesolutions.gov/">https://www.crimesolutions.gov/</a>	Searchable database with many search options; Able to sort based on evidence rating; Comprehensive glossary of terms	Programs evaluated predominately through a justice lens (may have limited broader applicability)
Home Visiting Evidence of Effectiveness (HomVEE) <a href="https://homvee.acf.hhs.gov/">https://homvee.acf.hhs.gov/</a>	Models are identified through a broad literature search Includes implementation profiles for all rated programs Requires a 1-year follow-up showing maintained treatment gains Can search by model, outcome domain, or rating	Somewhat less rigorous requirements for being deemed evidence-based; Programs focus on home visiting interventions for pregnant women and children birth through age 5 only (may have limited broader applicability)

Resource and website <sup>a</sup>	Advantages	Disadvantages
OJJDP Model Programs Guide <a href="https://www.ojjdp.gov/mpg/">https://www.ojjdp.gov/mpg/</a>	Similar database look and feel as crime solutions (both justice-focused; use same database for youth programs); Inclusive of prevention and intervention programs	Programs evaluated predominately through a justice lens (may have limited broader applicability)
PracticeWise common components <a href="https://www.practicewise.com/">https://www.practicewise.com/</a>	One-stop shop for information related to common elements of EBPs; Clinician tools; Web-based dashboard to track clinical progress	Subscription fee
SAMHSA's National Registry of Evidence-Based Programs and Practices <a href="http://www.nrepp.samhsa.gov/">http://www.nrepp.samhsa.gov/</a> Closed in January 2017 See: Green-Hennessy, 2018	Prior to closure provided comprehensive list of interventions; Many research references; Standardized ratings across multiple programs	Programs did not always meet evidence-based or research-based criteria discussed in Chap. 3
Washington State Institute for Public Policy (adult) <a href="https://www.wsipp.wa.gov/ReportFile/1644/Wsipp_Updated-Inventory-of-Evidence-based-Research-based-and-Promising-Practices-Prevention-and-Intervention-Services-for-Adult-Behavioral-Health_Report.pdf">https://www.wsipp.wa.gov/ReportFile/1644/Wsipp_Updated-Inventory-of-Evidence-based-Research-based-and-Promising-Practices-Prevention-and-Intervention-Services-for-Adult-Behavioral-Health_Report.pdf</a> (child/youth) <a href="https://www.wsipp.wa.gov/ReportFile/1639/Wsipp_Updated-Inventory-of-Evidence-Based-Researched-Based-and-Promising-Practices-For-Prevention-and-Intervention-Services-for-Children-and-Juveniles-in-the-Child-Welfare-Juvenile-Justice-and-Mental-Health-Systems_Report.pdf">https://www.wsipp.wa.gov/ReportFile/1639/Wsipp_Updated-Inventory-of-Evidence-Based-Researched-Based-and-Promising-Practices-For-Prevention-and-Intervention-Services-for-Children-and-Juveniles-in-the-Child-Welfare-Juvenile-Justice-and-Mental-Health-Systems_Report.pdf</a>	Clear definitions; Cost-benefit information available; Programs categorized by domain (e.g., juvenile justice, mental health, substance abuse)	Not easily searchable (lists are in PDF format, not an interactive Web site)

<sup>a</sup>Note, these websites (except NREPP) were active as of the end of 2018, but are subject to change. Some registries, like NREPP, lose funding and therefore are no longer available. New registries, such as the one being developed to support the Family First Prevention Services Act (FFPSA), are not yet available, but likely will be by the time this book is published
