## A

- Acceptance and commitment therapy, 192, 209, 269, 281
  - strategies based on, 268
- Agenda setting, 179
  - concept of, 180
- Ambivalence, 47, 209, 348, 351, 354, 355, 361
- Authenticity, 308, 317, 320, 327, 335, 339
- Automatic thoughts, 31, 149, 176, 199

## C

- Change talk, 352, 353
  - concept of, 352
  - disadvantages of, 352
  - vs. status talk, 361
- Co-construction, 182
- Cognitive behavioral
  - aspects of, 209
  - financial therapy, 155
  - strategies on, 44
  - techniques, 145, 299
  - treatment, 153
- Cognitive behavioral therapy (CBT), 38, 40, 143, 270, 304
- Cognitive diffusion, 272
- Collaborative, 59, 128, 129, 146
  - model, 162, 235
  - relational model of financial therapy, 161, 162
  - relationship model for financial therapy, 164–166, 170, 171
  - therapeutic relationship, 125
  - therapy, 176
- Compulsive buying, 27, 36–38
  - behavior, 326
  - disorder, 35–37, 57, 61, 62, 191, 192, 194, 197
  - adverse effects of, 193
  - concept of, 152

- desire for, 153
- dysfunctional beliefs of, 153
- Kraepelin's conceptions on, 192
- role of social psychological mechanisms in, 194
- scales, 208

- Compulsive shopping, 211, 357
- Conflict, 3
  - addressing of, 226
  - family, 43
  - interpersonal, 38
  - marital, 38
  - splits, 340
- Congruence, 328, 330–333
- Conscience, 288
- Core expertise, 161
- Countertransference, 292–294
- Couples and Finances Theory (CFT), 226
- Cultural feminism, 255
- Culture, 7, 44, 91, 178, 189, 256
  - client's, 93, 96
  - European American, 87
  - influence of, 88
  - sociocentric, 55
- Cyclical employment effect, 255

## D

- Deconstructive listening, 182, 186
- Diversity
  - and multiculturalism, 87
  - of approaches, 20
- Division of household labor, 253, 260, 262, 264
  - role of gender in, 261

## E

- Ego, 288, 296, 298
  - concept of, 291, 295
  - ideal, 288, 290

- Emotion focused therapy (EFT), 339, 342  
 characteristics of, 340  
 goals of, 340  
 therapist, 340
- Empathy, 155, 226, 291, 307, 314, 320, 332  
 and genuineness, 355
- Ethics, 10, 239
