## A New Bibliography of Publications of the Project “The Changing Academic Profession” (CAP) and Related Projects

Ester Ava Höhle and Ulrich Teichler

This bibliography comprises books and articles which were written in the framework of the international comparative project “The Changing Academic Profession” (CAP) between 2004 and 2015. It also includes publications generated in the framework of regional projects and national projects which employed a similar questionnaire survey as the one developed in the CAP project, notably “Academic Profession in Europe: Responses to Societal Challenges” (EUROAC) and “The Changing Academic Profession in Asia” (APA), as well as surveys undertaken in Russia and Slovenia.
