
Retroviruses 1

Editors: **P.K. Vogt, H. Koprowski**

1983. 16 figures. V, 146 pages
(Current Topics in Microbiology and
Immunology, Volume 103)
ISBN 3-540-12167-6

Contents: *U. G. Rovigatti, S. M. Astrin:* Avian Endogenous Viral Genes. – *S. H. Hughes:* Synthesis, Integration and Transcription of the Retroviral Provirus. – *J. C. Neil:* Defective Avian Sarcoma Viruses. – *N. G. Famulari:* Murine Leukemia Viruses with Recombinant env Genes: A Discussion of Their Role in Leukemogenesis. – *M. J. Hayman:* Avian Acute Leukemia Viruses. – *O. N. Witte:* Molecular and Cellular Biology of Abelson Virus Transformation.

Retroviruses 2

Editors: **P.K. Vogt, H. Koprowski**

1984. 26 figures. 180 pages
(Current Topics in Microbiology and
Immunology, Volume 107)
ISBN 3-540-12384-9

Springer-Verlag
Berlin
Heidelberg
New York
Tokyo

Contents: *P. Besmer:* Acute Transforming Feline Retroviruses. – *A. Tereba:* Asymmetric Chromosomal Distribution of Endogenous Retrovirus Loci in Chickens and Mice. – *J. G. Krueger, E. A. Garber, A. R. Goldberg:* Subcellular Localization of pp 60^{src} in RSV-Transformed Cells. – *J. A. Cooper, T. Hunter:* Regulation of Cell Growth and Transformation by Tyrosine-Specific Protein Kinases: The Search for Important Cellular Substrate Proteins. – *J. G. Foulkes:* Phosphotyrosyl-Protein Phosphatases.

Mouse Mammary Tumor Virus

Editors: **P. K. Vogt, H. Koprowski**

1983. 12 figures. VII, 103 pages
(Current Topics in Microbiology and
Immunology, Volume 106)
ISBN 3-540-12828-X

Contents: *C. Dickson, G. Peters:*
Proteins Encoded by Mouse
Mammary Tumor Virus. – *V. Traina-
Dorge, J. C. Cohen:* Molecular Genetics
of Mouse Mammary Tumor Virus. –
R. Michalides, A. van Ooyen, R. Nusse:
Mouse Mammary Tumor Virus
Expression and Mammary Tumor
Development. – *G. M. Ringold:* Regula-
tion of Mouse Mammary Tumor Virus
Gene Expression by Glucocorticoid
Hormones.

Springer-Verlag
