

About the Authors

Jane Bolitho is a Lecturer in Criminology in the School of Social Sciences, University of New South Wales, Australia. Her research interests concern juvenile justice, court-based diversion programs with a focus on youth justice conferencing and restorative justice.

Allan Borowski is Professor of Social Work and Social Policy, School of Social Work and Social Policy, Faculty of Health Sciences, La Trobe University, Victoria, Australia. He is a Fellow of the Academy of Social Sciences in Australia, and a member of the Research Panel, Criminology Research Council.

Peter Camilleri is a Professor of Social Work, School of Social Work, Faculty of Arts and Sciences, Australian Catholic University, Canberra, ACT. His research has canvassed, amongst other things, the history of welfare, social policy, development of the social work profession and case management.

Judy Cashmore is an Associate Professor in the Law School at the University of Sydney. Her significant research career includes a focus on child protection and child welfare, children's participation in legal proceedings and the impact on them of family law matters. She has extensive involvement in child death reviews and the review of child protection legislation and policy in NSW.

Brenda Clare is an Honorary Research Fellow in the Discipline of Social Work and Social Policy at The University of Western Australia. Her main research interests are child protection, child and family welfare and professional practice.

Joseph Clare is a Research Assistant Professor in the Crime Research Centre, School of Law, University of Western Australia and a member of the Institute of Canadian Urban Research Studies, Simon Fraser University.

Mike Clare is an Honorary Researcher in the Crime Research Centre at the University of Western Australia. Until recently, he was a Professor of Social Work and Social Policy at UWA, with current research interests in out-of-home care and elder abuse.

Marie Connolly is a Professor and Head of Department in the Department of Social Work, School of Health Sciences, University of Melbourne, with an international research profile in child and family welfare particularly in the field of family group conferencing. She was the founding director of the Te Awatea Violence Research Centre at the University of Canterbury, New Zealand, and Chief Social Worker within the New Zealand Government.

Andrew Day is a Professor in Forensic Psychology and Director of the Forensic Psychology Centre at Deakin University. He has previously worked as a clinical and forensic psychologist in both the UK and Australia and is particularly interested in the application of psychological thought and practice to the correctional setting. Professor Day is a member of the Australian Psychological Society's Colleges of Clinical and Forensic Psychology.

Paul Delfabbro is an Associate Professor, School of Psychology, University of Adelaide. His research has focussed on foster care and related issues such as reunification, the effect of placement movements and parental contact. His other research interests are in the area of gambling behaviour, decision-making and learning theory.

Elizabeth Fernandez is a Professor in Social Work at the School of Social Sciences, the University of New South Wales, Australia. Her current research includes a 10-year longitudinal study of children in care and a national study of reunification outcomes.

Patricia Hansen is a solicitor who works in Children's Courts in NSW. She has worked as a social worker for many years with experience in services for families and children. She is also an Adjunct Professor at Australian Catholic University.

David Heath is a Lecturer in social work and community studies at Charles Darwin University in Australia's Northern Territory. He has worked both in Australia and the United Kingdom as a practicing social worker in mental health and alcohol and drug fields in community and criminal justice settings.

Myvanwy Hudson is completing a PhD in Criminology at the University of New South Wales, focusing on the justice needs of adult survivors of intra-familial childhood sexual assault. Her research interests include gendered crime and child abuse, refugee policy, youth justice and related social justice issues.

Daniel King is a Senior Research Associate in the School of Psychology at the University of Adelaide. His research has given great attention to the subject of the psychosocial impact of gaming and gambling technologies on young people.

Morag McArthur is a Professor and Director of the Institute of Child Protection Studies at Australian Catholic University in Canberra. Her published research focuses on policy and practice issues that affect children, young people and their families, such as child abuse, homelessness and substance abuse.

Michael McKinnon is completing postgraduate study in Criminology and Corrections at the University of Tasmania and has worked in policing and in child protection. He is interested in youth crime and child protection and in the challenges that arise in inter-agency working for vulnerable young people.

Paul Mazerolle is a Professor and Pro Vice Chancellor (Arts, Education and Law) and former Director of the Key Centre for Ethics, Law, Justice and Governance. He remains Director of the Violence Research and Prevention Program at Griffith University, Queensland. His current research includes criminal offending across the life course and projects examining juvenile offending behaviour.

Rosemary Sheehan is an Associate Professor in the Department of Social Work, Monash University, Victoria; she holds a Governor-in-Council appointment to the Children's Court of Victoria to conduct alternative dispute resolution conferences and is a member of the Victorian Child Death Review Committee.

Caroline Spiranovic is a Research Assistant Professor at the Crime Research Centre, School of Law, University of Western Australia and a Research Assistant Professor at the Faculty of Law at the University of Tasmania. Her research interests currently include public perceptions of the criminal justice system, risk assessment, sexual and violent offending and youth offending/mental health.

Loraine Thomson is a Research Fellow in the Institute of Child Protection Studies at the Australian Catholic University in Canberra, ACT. Her recent research has focussed effective family support and the support needs of foster carers.

Clare Tilbury holds the Life Without Barriers Carol Peltola Research Chair at the School of Human Services and Social Work at Griffith University, Queensland, Australia. Her research interests include child protection outcomes, accountability and performance measurement, with a focus on children's well-being in care systems and what they say would make a difference in their lives.

Max Travers is Senior Lecturer in the School of Sociology and Social Work, University of Tasmania, Australia. He has conducted ethnographic research about criminal defence lawyers, sentencing in Children's Courts and the impact of quality assurance on professional work when sentencing young offenders in three Australian states.

Deborah West is a Director of Education and Training Development at Charles Darwin University in the Northern Territory, Australia. Until recently she was Associate Professor and Head of social work at CDU. Her current research interests include family and domestic violence, family welfare and youth justice, remote area service provision and learning and teaching development.

Rob White is a Professor of Criminology in the School of Sociology and Social Work, University of Tasmania, Australia. His research interests include the sociology of youth and environmental criminology. Rob is the Director of the UTAS Criminology Research Unit and Director of the Australian Clearinghouse for Youth Studies.
