

CONTRIBUTORS

Yesuf H. Abdela is a graduate student in the Department of Human Geography and Planning at the University of Alberta. He has worked in higher education institutions in Ethiopia as both a lecturer and administrator. His research interests include diasporic studies, immigrant communities, multiculturalism and urban planning, citizenship studies, development studies, and policy development and implementation in Canada and sub-Saharan Africa.

Dan Cui is an Eyes High Postdoctoral Fellow in the Werklund School of Education at the University of Calgary. Her research interests include immigrant youth, international students, immigration and integration, race and ethnicity, sociology of education, and social justice and equity in education. She has published in *the Journal of International Migration and Integration*, and *Canadian Ethnic Studies*.

José Luis Suárez Domínguez is a professor and researcher at the Institute of Educational Research in the Universidad Veracruzana, in Veracruz, Mexico. Dr. Suárez's topics of research are governability and political regime in public universities in Mexico, as well as the processes of integration of the students to the college life. His most recent works are: "Universidad Veracruzana Students' Process of Integration during the First Year", and "Governability Model at the Universidad Veracruzana".

Cynthia Field is in her second year of a PhD program in higher education at the Ontario Institute for Studies in Education at the University of Toronto. Her research interests include program evaluation, change management, academic drift, and public policy for higher education institutions. She currently works for the Government of British Columbia as a Research Officer specializing in the evaluation of cognitive behavioural and educational programming in correctional facilities.

Elizabeth Ocampo Gómez is a professor and researcher at the Institute of Educational Research at the Universidad Veracruzana, in Xalapa, Mexico. Dr. Ocampo's work focuses on educational policy analysis and financial policies in education (K-12 and higher education). Her most recent work includes a book about the World Bank and the diffusion of financial practices in the Educational field in Latin America.

Tatiana Gounko is an assistant professor in the Department of Educational Psychology and Leadership Studies at the University of Victoria, Canada. She received her PhD in educational leadership from the University of Alberta (Canada), her MSc in educational administration from the University of Nebraska Omaha (US) and her Graduate Diploma in English and Literature from Yakutsk State University, Russia. For the first 10 years of her academic career, Tatiana taught English at the Faculty of Foreign Languages in Yakutsk, Russia. In 2009, she joined the Leadership

CONTRIBUTORS

Studies group at the Faculty of Education in Victoria, British Columbia where she currently teaches graduate level courses on international education and leadership and contemporary issues in higher education. Her research interests include the internationalization of higher education, educational policy and comparative education. She has published articles and presented papers on higher education reforms in Russia, Czech Republic and Turkey.

Shibao Guo is Associate Professor in the Faculty of Education, University of Calgary. His research interests include comparative and international education, citizenship and immigration, Chinese immigrants in Canada, and adult and lifelong education. His recent work appeared in COMPARE, Comparative Education, International Journal of Lifelong Education, Journal of Education and Work, Canadian Ethnic Studies, and Canadian and International Education. His edited book, *Transnational Migration and Lifelong Learning: Global Issues and Perspectives* (2013), was recently published by Routledge

Budd Hall is the Co-Chair of the UNESCO Chair in Community Based Research and Social Responsibility in Higher education. Professor Hall also teaches in the Community Development programme at the University of Victoria in Canada. His research is on community university research partnerships and learning and social movements. He is also a poet.

Moon Sook Jeong is a PhD candidate in Educational Policy Studies Department at University of Alberta. Moon has also worked as a secondary school teacher in Korea, language instructor in China, and policy researcher in Korea and Canada. Her scholarship focuses mainly on the political implications in reform policy. Her current research focus is on economic globalization and higher education reform in South Korea.

Shelane Jorgenson is a PhD candidate at the University of Alberta in the Department of Educational Policy Studies. Hailing from Alberta's prairies, she has been engaged in the fields of global citizenship and higher education for several years and has worked and written extensively in these areas. Shelane's doctoral research took her to the University of Ghana to examine university study abroad programs and constructions of global citizenship. She is also a student research fellow of the Center for Global Citizenship Education and Research at the University of Alberta.

Michael Kariwo is an Instructor and teaches in the Educational Policy Studies Department at the University of Alberta. He is also a Research Associate, in the Social Support Research program, Faculty of Nursing, which is at the University of Alberta where he manages several active grant funded research projects. In addition he is a Research Fellow at the Centre for Global Citizenship Education and Research, University of Alberta where he is involved with global education.

He has collaborated in the production of scientific, technical and financial reports for the following funders; The Alberta Centre for Child, Family and Community

Research, the Social Sciences and Humanities Research Council as well as, the Prairie Metropolis Research Centre Co-author of journal articles on mental health of refugee parents and children in Canada and his main contribution is in policy analysis. His published books include *Resources and Performance of Academics at Universities*, *Education and Development in Zimbabwe: A Social, Political and Economic Analysis*.

He contributed several book chapters and published articles in international journals on education and development as well as policy analysis. He has presented research papers at international and local conferences. He is reviewer of papers for a number of journals which include the *Journal of Contemporary Issues in Education (JCIE)*, *Educational Research (ER)*, and the *International Journal of Peace and Development Studies (IJPDS)*. He has also served as an external reviewer for Routledge Book Publishing. He has both the theoretical and practical experience in the management of higher education institutions having worked as senior administrator in universities in Zimbabwe and more recently as faculty in Canada.

Njeri Kiaritha is a Lecturer in the Department of Educational Psychology at Moi University, Kenya for eight years. She holds PhD and Master's degrees in Educational Psychology. Dr. Kiaritha lectures in the areas of Educational Psychology, Counseling Psychology and Special Needs Education. She is also a consultant in Sign Language. Her area of interest in research is education and counseling of people with special needs, education of the gifted and talented and emerging issues in the area of Psychology.

Musembi Nungu is a postdoctoral research fellow at the Centre for Global Citizenship Education and Research (CGCER) in the department of Educational Policy Studies, University of Alberta. He also teaches International and Comparative Education at the department of Educational Foundations, University of Nairobi, Kenya. His areas of research include rural education, teacher education, education and citizenship, and educational governance. He has published in refereed international journals such as *The Journal of Educational Administration and Foundations*, *Journal of Contemporary Issues in Education*, and *Globalisation, Societies and Education*.

Thashika Pillay is a doctoral student in the Department of Educational Policy Studies at the University of Alberta. She has worked with teacher training colleges and universities in Northern Ethiopia. Her research interests include diasporic studies, critical anti-colonial feminism, African indigenous knowledge systems, critical citizenship, international development, and governance and educational policy in sub-Saharan Africa.

Hongxia Shan is an assistant professor in the Department of Educational Studies, University of British Columbia. Her research focuses on immigration and globalization, work and learning, foreign qualification recognition, qualitative research, and gender, race and class analysis. Her work has appeared in *International*

CONTRIBUTORS

Journal of Lifelong Education, Comparative Education, Journal of Workplace Learning, Work, Employment and Society, Canadian Journal for the Study of Adult Education, and International Journal of Health Promotion.

Elizabeth Vergis is a PhD candidate at the University of Alberta. She holds a BSc degree in Chemistry from the University of Madras in India, a B.Ed. and M.Ed. degree from the University of Alberta. In addition she has an MSc in Biochemistry from the University of London, UK. She has wide experience in teaching at both High School and University level in Lesotho and South Africa. Elizabeth also taught science at a High School in Zambia. She also taught at King's University College, as well as at High Schools in Edmonton, Canada. She is currently a sessional instructor at the University of Alberta in Edmonton. She is also involved in research on the understanding held by first year undergraduate students on concepts of evidence and their use in science.

Maina Waiganjo is a Lecturer at the Kabarak University in Kenya. Born in Kenya, he received his B.Sc. Range Management from the University of Nairobi and MBA from Egerton University. He has worked in the NGO subsector and Faith based organizations offering both technical and human resource management support. He received his Doctor of Ministry (specializing in Church Leadership) degree from Beacon University (USA) and has a teaching experience of 10 years in various universities in Kenya. During his academic career Dr Waiganjo has authored over 20 articles and papers appearing in both local and international Journals. He has extensive consulting experiences with both public and private organizations of all sizes mainly in Human and Organization development. Currently, his research interests are in Organization Development and Change and Strategic Human Resource Management

Christopher Zindi obtained his PhD in Agricultural and Resource Economics at the University of Alberta. His prior research work included looking at issues pertaining to household livelihoods and food security. Christopher currently works as a Researcher in the Office of the Auditor General of Alberta
