## ABOUT THE AUTHOR

**Marianne Fallon**, Ph.D., is an Associate Professor of Psychological Science at Central Connecticut State University and has taught undergraduate Research Methods for over 10 years. She has mentored many emerging researchers, several of whom have won local and regional research awards and have published their research. She has won the Connecticut State University Trustees Teaching Award and has twice been named a finalist for the Central Connecticut State Excellence in Teaching Award. A cognitive psychologist, Dr. Fallon conducts research in learning, memory, perception, and motivation. Her most recent research examines how developing growth mindset and character strengths help college students learn and succeed.
