PART III: CORPORATE GOVERNANCE REFORMS 257

9 Strengthening the governance process I: micro reforms 259

Strengthening the board of directors and executive management	261
Establishing active, independent, and responsive boards	262
Reducing board size	264
Creating technically expert, independent board committees	264
Separating the roles of chairperson and CEO	271
Aligning board director interests	274
Limiting D&O insurance coverage	274
Piercing the corporate veil for directors and executives	275
Reducing information asymmetries	276
Refocusing corporate policies	276
Developing rational compensation standards	277
Creating effective disclosure	279
Supporting shareholder rights	281
Returning excess capital	283
Defining and publicizing strategy	283
Developing and demonstrating a long-term perspective	284
Engaging institutional investors	285
Enhancing internal controls	286
Developing proper accounting policies	286
Enhancing internal audit	287
Reinforcing a culture of risk management	287
Implementing crisis management programs	288
Conducting effective post-mortems	289

10 Strengthening the governance process II: macro reforms 291

Promoting changes in regulatory oversight	292
Regulating potential conflicts of interest	293
Promoting uniform and meaningful accounting rules	294
Developing proper regulatory disclosure	295
Encouraging long-term investment	297
Protecting assets, investments, and pensions	297
Enhancing general governance mechanisms	298
Strengthening legal frameworks and bankruptcy processes	299
Deepening capital markets and promoting corporate control activity	301
Enhancing external audit practices	303
Encouraging investor activism	304
The legislative angle: the example of Sarbanes–Oxley	307

Creating a Public Company Accounting Oversight Board	308
Ensuring auditor independence and establishing an audit committee	309
Assigning corporate responsibility	311
Enhancing financial disclosures	312
Resolving analyst conflicts of interest	313
Assigning accountability for corporate and criminal fraud	314
Expanding white collar crime penalties	314
The international view of S–O	315
11 Improving corporate ethics	318
Corporate ethics versus corporate responsibility	319
Creating and reinforcing a proper ethical culture	320
Ethical norms	323
Ethical behavior and internal governance mechanisms	325
12 Summary: towards substantive governance	327
Simple rules of substantive governance	328
Can governance changes work?	332
Appendix: implementing global best practice	335
Supranational	338
OECD	338

Acknowledgments

My sincere thanks go to Andrea Hartill at Palgrave Macmillan for all of her help on this project. Thanks are also due to the rest of the production and marketing teams at Palgrave. I would also like to acknowledge the help provided by a number of corporate governance organizations, including the European Corporate Governance Institute, the International Corporate Governance Network, the Asian Corporate Governance Association, and the World Council for Corporate Governance.

And, as always, my thanks to Milena, for help, patience, and good cheer on the home front.
